4 COUNTRY U23 MATCH
Maribor / Slovenia , 15 July 2016

Introduction

The 4-way meet, which will be held on Friday, 15 July 2016, will be marked by the most numerous international athletic participation in 2016 in Slovenia, as the competition attracts more than three hundred young athletes, of which 250 are foreign athletes.

The competition has a rich tradition. Prior to the year 2011 it was organized as a 3-way meet. The competition will host 4 participating countries (Czech Republic, Hungary, Poland, Slovenia). This year the 4-way meet will be held for the first time in Slovenia, the organising club will be Athletic club Štajerska Maribor.

Athletes will compete in 20 men's and 20 women's disciplines.

Roman Dobnikar, President of the Slovenian Athletic Federation: "The 4-way meet is a very exciting competition, which is characterised by massive participation and tradition in the light of friendship, cooperation and competitive spirit of the participating countries. We are happy that this year the competition is again taking place in Slovenia and we would like to thank the athletic club AD Štajerska Maribor who will be implementing the competition. I am convinced that we will be seeing a very interesting and high quality athletic competition, while our athletes keep proving that in the age category U 23 Slovenia has a remarkable generation of athletes who already write the Slovenian athletics history. I would warmly like to welcome all participating athletes and their team members to Slovenia and wish you all successful performances and an enjoyable stay in Maribor."

The competition is warmly welcomed and supported by the Municipality of Maribor, on its behalf, the deputy mayor Zdravko Luketič said: "Maribor has always been a sports town, sport is a strong tradition of the town and also its trademark. The town is developing a long-standing tradition of professional and amateur sport and the people of Maribor are big sport enthusiasts. Their endeavours are supported by the help of sports infrastructure and natural resources, which are used for sporting activities. In the summer months more and more different teams of many sporting disciplines come to town for their training and preparations. Therefore, we are always happy to welcome international competitions that take place in the town. In May Maribor hosted the World Medical Games (Medigames), which will be followed by the European Championship in Kickboxing, European Gymnastics Championships in Team Gym, Taekwondo WTF World Cup G1 Slovenian Open and the Champions League in futsal, which will be held each year until 2022. In 2017, Maribor will host the European Championships in shooting with airgun, the European Championships in judo, the European Cup in football for lawyers and the European Championship the best wine teams in football. In addition, in 2018 Maribor will host the European Veterans Championships in basketball. "

Mirko Veit, president of the Athletic club AD Štajerska Maribor: "I am delighted that this year Maribor hosts this important international competition, which is also an opportunity to show hospitality and sports atmosphere of the town. Maribor has a rich athletic tradition, continued in the current period, which is in the best way proved by the Olympians Sabina Veit, Sonja Roman and Daneja Grandovec, members of the Athletic Club Štajerska Maribor. For our club the competition is a great organizational effort, but also an opportunity to continue our tradition of successful organization of athletic competitions. I am looking forward to the competition and sincerely hope that many friends of athletics will join us in supporting excellent athletes of all teams."
