

## National Stadium

The former National Stadium was built as the main venue for the Third Asian Games in 1958 and the Tokyo Olympic Games in 1964 on the site of the former Meiji Shrine Gaien Stadium. It was designed to evoke "strength", "simplicity" and "grace".

The former National Stadium was rebuilt in preparation for the Tokyo 2020 Olympic and Paralympic Games. The New National Stadium (Japan National Stadium) was completed on 30 November 2019.

It is located at 10-1 Kasumigaokamachi, Shinjuku-ku, Tokyo.
