### 1.2 Host City Nicosia

The capital of the island is Lefkosia (Nicosia) with a population of 245.900 in the sector controlled by the Republic of Cyprus. It is situated roughly in the centre of the island and is the seat of government as well as the main business centre.

## 2. TRAVEL TO NICOSIA

### 2.1 Official Airports and Arrival Information

The LOC will provide adequate welcome services at the official airport, GLAFCOS CLERIDES Larnaca International Airport (LCA) which is located 44 km from Nicosia and 22km from the Official Hotels. The average transfer time from the airport to the teams' official hotels is approximately 30 minutes, depending on the traffic conditions.

Paphos Airport (PFO), 145 km from Nicosia and 127 km from Official Hotels, may be used as an alternative airport, upon previous agreement with the LOC and at Member Federations' costs.

Kindly be advised that **all participating Countries must arrive and depart only from** the two officially recognized airports of entry into the Republic of Cyprus, Larnaca International Airport and Paphos International Airport. Entry through any other point shall not be accepted and **accreditation shall not be granted.**

To ensure a proper pick-up procedure, all teams are responsible for including their exact arrival information in the Final Entries. After the closing of the Final Entries, any amendments and updates will have to be sent by email to [info@nicosia2025-26-27.org.cy](mailto:info@nicosia2025-26-27.org.cy) with copy to [competition@european-athletics.org](mailto:competition@european-athletics.org).

In case of flight delays or lost luggage, please go directly to the designated desk inside the baggage claim area.

Upon arrival at Larnaca Airport the teams are kindly asked to approach the Welcome Desks which will be located outside the arrival Terminal.

As Larnaca is very small airport, Teams must pass from the immigration/police passport control to collect baggage's and exit where information Desk will be at the left side to Welcome you.

Contact Person in case of assistance: KYRIAKOS MICHAEL – 00357 99658622

The operating hours of the Welcome Desks will be as follows.

DATE	OPENING HOURS
Thursday 12 March	08:00 – until last arrival
Friday 13 March	08:00 – until last arrival
Saturday 14 March	08:00 – until last arrival

\*The opening hours are provisional and will be in accordance with the provided arrival times from the Final Entries.

Teams will be transferred to their hotels and Team Leaders need to go to the Team Accreditation Centre (TAC) to collect all Team Members' accreditation cards. In case of early or late arrivals, accreditation formalities shall be carried out the following morning or as soon as possible.

## 2.2 Entry visas

have a valid passport.

It is the Member Federations own responsibility to apply for Visas in time before leaving their country, from the Cyprus Embassy or Consulate, and to make sure that all the documents required for the application are complete. Incomplete applications slow down the process and may lead to a Visa not being issued on time.

Participants who require a Visa should send all relevant details (as listed below) by **09 January 2026** to obtain a special invitation letter and Visa application information. It is crucial that relevant information is received by the above-mentioned deadline as otherwise entry to Cyprus may not be guaranteed. Please contact:

Please take the necessary steps to fulfil these requirements well in advance.

## 3. ACCREDITATION

### 3.1 General

In general, an accreditation card is proof of authority to access specific zones to carry out a function. It will contain alpha-numeric and colour-coded cardholder categories and numbered Accreditation Zones. The listed zones on each card will indicate the specific access privileges for each individual.

Each Team Member will receive an accreditation card, which must be always worn and should be clearly visible. The accreditation is not transferable and does not allow the holder to take another person beyond checkpoints. The holder is granted access rights only to the zones indicated on the front and shall use the designated entrances accordingly. The accreditation card remains European Athletics property and can be withdrawn at any time.

### 3.2 Team Accreditation Centre

The Teams' Accreditation Centre will be located at the Radisson Beach Resort Hotel. This is where the Team Leaders shall report as soon as possible after their arrival, to carry out the administrative procedures.

The opening dates and times of the Teams' Accreditation Centre will be as follows (depending on arrivals):

### 3.3 Accreditation Procedure

Registration of all Team Members must be completed through the European Athletics' entry system, during the Final Entries, which will be open from Wednesday 11 February to Wednesday 04 March 2026 (14:00 CET).

Upon arrival at the Team Hotels, the Team Leaders will be asked to go directly to the Team Accreditation Centre (TAC) to go through the accreditation process and pick up all Team Members' accreditation cards. As mentioned above, in case of early or late arrivals, accreditation formalities shall be carried out the next morning, or as soon as possible.

The Team Leader will be asked to complete the following formalities for the whole team:

- LOC accommodation invoice settlement,
- Check of athletes' passport or ID (or a copy),

Only athletes who are about to compete will have access to the call room and to the infield. Furthermore, accreditation will grant access to meals and to the Team Shuttle services.

The Head of Delegation or the Team Leader from each team is invited to the VIP Hospitality area and will be given the necessary access number on the accreditation card.

European Athletics shall provide special passes as required for the following zones:

- Throwing events coaching area (one per athlete),
- Mixed zone (for access to athletes at the end of the mixed zone) – one per team with a Team Press Liaison,
- Mixed zone and medical passes will be distributed during the accreditation process. The Throwing events coaching areas will be distributed at the Technical Information Centre (TIC) the day before the respective events. All special passes will be valid only in combination with personal accreditation.
